Statement - EU Ecolabel Certification

1/1

Dear Ladies and Gentlemen,

We hereby confirm that the following products, manufactured by WEPA Professional, carry the EU-Ecolabel-Certification:

CWS item:	Description:	Certificate:
C288000 - 1000327	CWS Paperroll 100m cellulose 3-ply	DE/004/081

You can detect the EU-Ecolabel certification always by the appropriate ICON in the layout of the respective packaging.

Furthermore, we would like to confirm, that all products made of "cellulose" are made from pulp "elemental chlorine-free bleached (ecf)".

We thank you for your interest and wish you much success in selling EU-Ecolabel certified products.

P. S. This confirmation is initially valid until 31.12.2026.

Technical changes and errors excepted.

Regards,
Divisional Product Management
