Nature

Underpad, Bambo Nature Changing Mats, 60x60cm

- ✓ Absorbent fluff core
- ✓ Breathable back sheet
- ✓ Allows skin to breathe
- ✓ Better body temperature regulation
- ✓ Soft and smooth nonwoven surface
- ✓ Rapid liquid absorption

Product Description

Bambo Nature Changing Mat is an extra soft breathable disposable underpad for protection of beds and chairs during diaper changes. The breathable back sheet minimizes the risk of skin irritations. In addition, the underpad has sealed edges for optimum leak protection, and the surface is covered with a soft non-woven material for enhanced comfort for your baby.

Bambo Nature Changing Mats offers moderate absorption.

Nordic Swan Ecolabel is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. FSC™ Mix means the product consists of a blend of FSC certified wood and recycled materials. For more information, go to www.fsc.org.

OEKO-TEX, also known as "Confidence in Textiles", is a health and environmental label used worldwide. The certificate ensures that textiles do not contain substances that are harmful to health or the environment.

Your guarantee that our products have been tested for ingredients which can potentially cause skin irritation. Tests conducted by an independent third-party laboratory.

Raw material that absorbs its own weight 10 times and has excellent fluid dispersion capabilities.

The product is only for single-use.

The product is fully breathable for the comfort of the user; also during long-time use. Helps maintain skin integrity.
