

Diversey™

# Universal Soft Care Floor Stand

## Universal Floor Stand

The Universal Soft Care Floor Stand is an accessory created to fit all the Diversey dispensers to keep hand hygiene available at various critical points of contact to prevent infections, improve productivity and protect your brand reputation.

The Universal Floor Stand is engineered to be compatible with the all the following dispensers available in the Diversey portfolio including:

- IntelliCare Dispensers (Manual & Hybrid)
- Soft Care Line/ Bug Blaster Dispensers (800ml pouches)
- Soft Care Foam/ Bug Blaster Foam Dispensers (700ml pouches)
- Bulk Fill Dispensers (for 5L)

### Benefits

- Makes hand hygiene available across your facility
- Stimulates hand hygiene compliance and public health
- Offers opportunity for hand hygiene when soap and water is not available
- Modern design allows for a smooth set-up and natural blend-in across usage environments
