Passion for cooking

We are a company with 27 years of tradition. We produce articles for the home and garden. We offer among other things, grills and ovens garden, which do not have any secrets for us. Years of experience and constant desire to develop allows you to meet the growing demands of customers. Our motto is giving the joy of cooking outdoors. We have a sales network throughout the Europe, in addition to our products can be found in countries such as Germany, the Netherlands, Belgium, United Kingdom, Norway and many other. Our products also supply to major DIY stores, garden centers and chain stores throughout the Europe. General we sell wholesale to our customers. Cooperation with the best courier companies in Poland allows for quick delivery of goods to any location chosen by the client. Quickly and safely we deliver the ordered goods to the door.

Brand products "Cook King" are produced by hand "HANDMADE" with passion and care.

In our production we use materials derived solely from Polish steelworks. The materials used to produce our products have the necessary approvals and certificates, which certify their quality and reliable source of production.

Thick steel 2,0-5,0mm used to produce our products translates into long life and customer satisfaction with your purchase.

„HANDMADE” is a guarantee of tradition and quality !
